BedandBreakfast.com is the most comprehensive global site for finding bed and breakfast properties around the world, with more than 13,000 properties worldwide representing nearly 80,000 rooms.

The Best of BedandBreakfast.com Award winners are selected based on the quality and quantity of the traveler reviews from the past year on BedandBreakfast.com, as well as the quality of inns' photos, listing descriptions and overall online customer experience on BedandBreakfast.com.

"The eighth annual Best of BedandBreakfast.com Award winners, including Twin Pine Manor, really showcase bed and breakfasts and inns that often become the destination for travelers and not just a place to stay," says Gregory Sion, general manager of BedandBreakfast.com. "Travelers select bed and breakfasts because they enjoy staying in a one-of-a-kind place that offers not only character, special amenities and unmatched hospitality, but also enables them to discover new experiences."

"It's a true honor to be chosen for a 2012 Best of BedandBreakfast.com Award, and we thank our guests for the positive reviews that resulted in this award," says Norm Kurtz, Twin Pine Manor innkeeper. "It is gratifying our guests took the time to share their feelings about the experience, which set us apart," commented Kurtz. One guest said: "This bed and breakfast is truly a magical place. The rooms, the grounds, the breakfast, and the common areas are all beautiful. They are immaculate, comfortable, well decorated, and inviting. I can't say enough good things about this place."
